

# EVENT CANCELLED

## WA Easter Classic , Monday 22 April 2019

We have been eagerly looking forward to the WA Easter Classic due to be run on the fully resurfaced Collie Motorplex circuit scheduled for completion in March 2019.

Friday last week we were advised by Motoring South West (MSW) that our booking for Easter Monday 22 April would not be available.

Unfortunately due to contractual reasons, the work on the track has been rescheduled to commence on 8 April 2019 and take approximately 2 – 2½ weeks depending upon the weather and other variables. Therefore the new track opening time is unknown.

To all participants that were planning for good competition and fun times at Collie Motorplex over the Easter weekend we wish you an otherwise happy yet boring Easter.

To the team at Motoring South West we acknowledge your persistence and wish you a happy Easter and successful completion to your arduous construction program.
