## DRIVER RISK MANAGEMENT & KARTWEST FACILITY RULES, REQUIRMENTS & SAFETY BRIEF

### KARTS

1. Participants must agree to abide by DRM policies and procedures
2. Participants must remain within the area of the facility booked and understand that adjoining areas may in use at the same time
3. Participants must not operate any vehicle in a way that may put themselves, and/or others in danger.
  
4. All kart drivers must wear race helmet, driving suit, gloves, and closed shoes as per std karting regulations.
5. Participating karts must be scrutineered (refer KartWest entry form)
6. Maximum of 10 karts on the track unless otherwise agreed by DRM
7. No Burnouts or cut throughs and preserve the track edges.
  
8. The property has strict/ sensitive environmental and sound emission regulations applied to it and is monitored by state and/ or commonwealth departments. This includes regular ground water testing.
9. Karts must have a ground sheet when in the pits, no dumping of fuel will be permitted. Use correct procedures when dealing with spills and remove all rubbish from site
10. Karts and vehicles must comply with sound emission requirements in accordance with DRM's sound restriction statement. (found on website)
11. Sound Emission levels must remain below 94DbA. Random testing will occur.
  
12. As per emergency management procedure participants will manage their own response for first aid unless agreed by DRM. (refer to KartWest Medical)
13. You agree to DRM's and/or KartWest sole discretion and the right to refuse any participant or vehicle not complying with the above general rules

*I have read and understand the above to which I agree.*

*Whilst at this facility and by signing the KartWest attendance sheet I agree to take the utmost care to ensure both my safety and of those with or near me.*
